

Touchstone® Suite

Benchmark your organizational performance and proactively identify priorities for improvement, based on AI-driven risk adjustment and predictions.

Type: Software Suite

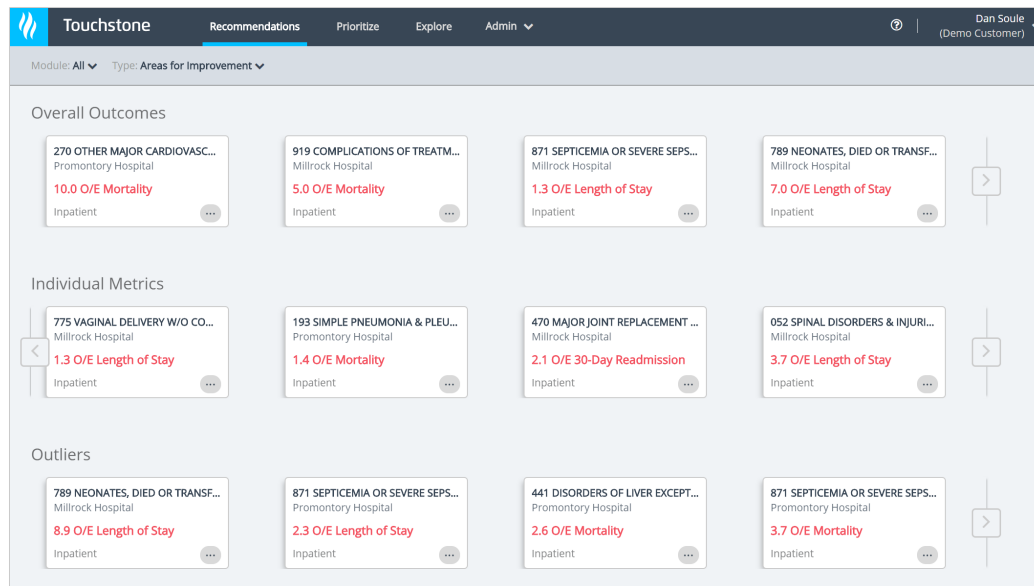

ID: 3424

Revised: 2019-Nov-20

The **Touchstone® Suite** aggregates data from across healthcare organizations. The Touchstone benchmarking service uses risk-adjusted benchmarks and predictive models to intelligently direct users as they prioritize improvement opportunities and explore the root causes of under- (and over-) performance in key areas.

Note: Touchstone Suite is in a support only status and has been replaced by Touchstone Data. Please refer to the Touchstone Data datasheet for more information. [Touchstone Data : Health Catalyst Data Sheets](#)

The Touchstone Suite displays metrics to help define areas for improvement.

Applications within the suite
