

# Guided Trigger Selection

*Experienced, Professional Insight and Technology*

Type: Professional Service

ID: 2909

Revised: 2018-11-15

Working hand-in-hand with Health Catalyst, your team will evaluate the trigger catalog and select a set of up to 30 triggers that are in alignment with your organization's safety needs and goals. Using shared client experience and professional insight, the trigger set will be balanced with your resource availability and shared and vetted within your safety governance structure to ensure a successful rollout.
