

Health Catalyst Community

Connecting clients in an online community to support improvement

Type: Professional Service

ID: 1591

Revised: 2019-Aug-29

Health Catalyst Community is a secure website where clients can get documentation for products and services, share ideas and questions, and gain insights from Health Catalyst experts. Clients can also provide suggestions for product features, interact with our development teams, and get easy access to product support. Health Catalyst Community provides:

- Collaborative community sites dedicated to each product and to specific interests (such as governance for outcomes improvement)
- On-demand access to improvement tools, product documentation, and help from product and service teams
- Direct access to clinical and technical experts
- A platform for connecting with other clients based on shared interests
